Dear Sir or Madam:

Keeping your employees and retirees informed about their benefits can represent a significant amount of work. We believe we can make your job easier while providing needed information for your employees by adding a link to Social Security on your existing website.

A link to www.socialsecurity.gov expands services to your employees by providing easy access to financial planning tools, online retirement and disability applications, and answers to frequently asked questions. Most importantly, all of these resources can be accessed by your employees without the assistance of your human resources staff.

Whether they are filing for retirement/disability benefits or learning more about protecting their identity, nearly every one of your employees or their families will need to conduct business with Social Security. Our online services allow us to serve your employees' as quickly and efficiently as possible and they reduce the need for in-person visits to a Social Security office.

At www.socialsecurity.gov the following services are already offered and we are constantly working to expand and improve these services:

- Applications for Social Security retirement, spouse's, and disability benefits
- Electronic requests for Social Security statements
- Calculators to estimate future retirement, survivor, and disability benefits
- Answers to frequently asked questions
- Electronic forms for current beneficiaries to update their address and direct deposit info
- Verification of benefits

We can also help your HR team by providing short Social Security related articles on a monthly basis to include in company newsletters or on HR fact sheets. These articles help broaden your employees' knowledge of topics that include personal finance, retirement, and much more.

My staff would welcome an opportunity to talk to you about these and other initiatives. Please feel free to contact Charles Phillips by phone at 901-388-1248 ext.252 or by email at at.tn.c90.eservices@ssa.gov . We look forward to hearing from you.

Sincerely,

Terrie A. Buehler
