DATA USAGE AGREEMENT TIPTON COUNTY GIS Background

Tipton County GIS is a provider of map data to the business, consumer and Internet community. Tipton County GIS's mission is to be the county digital map database compiler, providing the foundation for an ever expanding set of diverse customers who require high quality, cost-effective map data. Tipton County GIS endeavors to provide our clients with the most up-to-date and comprehensive databases available. The more comprehensive our databases, the more effectively and efficiently residents in Tipton County can be provided information and services.

Use of Provider Data

In consideration of monies or services paid or to be paid by _____ to TIPTON COUNTY GIS by _____ may use, reproduce, reformat and copy the dataset(s) and any updates, provided by TIPTON COUNTY GIS to _____ under this agreement, on local network systems and free-standing workstations owned, leased, or operated by _____ at the principal place of business. Data elements, from the dataset(s) and any update(s) that are missing from the GIS database, and more accurate data elements in the dataset(s) and any update(s), may be incorporated into the GIS database on an element-by-element basis. Apart from the data elements incorporated into the GIS database, **the dataset(s) and any update(s) will not be resold or redistributed to third parties.** The original dataset(s) and any update(s) will be retained at TIPTON COUNTY GIS as a reference resource in TIPTON COUNTY GIS map library.
